Peshawar

Dear Engineer Nazir,

I want to thank you very much for your assistance in obtaining the release of the green RAP Toyota pick up which was stolen near Altamoor in November. As you know, very few stolen vehicles or tractors have ever been returned to us. This is a very important occasion for RAP, RPA and IRC.

Your performance was outstanding and I am asking that a copy of this letter be placed in your personnel file.

Sincerely,

*John E. Dixon*
